Professional Experience

Lead Product Designer | UI/UX Consultant

Orbis Holding Group | Jan 2024 - Present
Dubai, UAE

- Lead the design and development of user interfaces for web, mobile, and conversational applications, focusing on delivering seamless and user-friendly experiences.
- Manage cross-functional teams in an agile environment, ensuring that design initiatives align with overall product strategies and customer needs.
- Spearhead the creation of user personas, journey maps, and prototypes to guide design processes and improve product usability.
- Oversee the end-to-end design process, from concept through to implementation, ensuring that products meet both aesthetic and functional goals.
- Successfully delivered multiple high-impact projects that improved user satisfaction and contributed to business growth.
- Mentor junior designers, fostering a culture of innovation and continuous improvement.

Lead UI/UX & Product Designer

IDC Technologies | Jul 2022 – Jan 2024

Dubai, UAE

- Worked closely with cross-functional teams, including product managers, developers, and stakeholders to understand project requirements and translate them into effective design solutions.
- Worked in creating user flows, wireframes, and interactive prototypes for multiple products (web + mobile) including **Real Estate, Banking, Fintech, Software Services, Healthcare and Insurance, ERP System** and other government and semi government projects.
- Created a complete design solution for **Loan Origination System (LOS)** of a private bank based in India including web application, user and agent mobile apps, admin and super admin portals.
- Designed and automated **e-signature** module for **Albuhaira Insurance (ABNIC)** including the approval and disapproval of e-claims.
- Redesigned/revamped a **Digital Trading** app in order to bring more clarity for the user to take positive action for investment.
- Proposed and designed an online **Uniform Ordering** application for **Dubai Police**.
- Designed a complete **e-Job Portal** for **Dubai Police**.
- Designed a complete solution to automate the **HR processes**.
- Contributed to the development and maintenance of design systems and guidelines. This involves creating design patterns, style guides, and component libraries to ensure consistency and efficiency in design workflows.
- Revamped all the corporate decks, design systems, social media and other marketing materials of the company.
- Worked on frontend programming (**Html, CSS, Bootstrap, Javascript, JQuery, Angular, Material, Wordpress**).

Senior UI/UX Designer & Developer

Winsoft Solutions | Jun 2019 – Jun 2022

Dubai, UAE

- Promoted to Team Lead UI/UX Designer by focusing on user-centered design principles creating simple and intuitive user interfaces that contributed to profit growth of the company.
- Designed a complete **Digital Trading Solution** from user research till high fidelity prototypes (web application, mobile app, user and admin panels).
- Designed prototypes of different portals for **AXA Insurance** including **Member Portal, Client Portal, Broker Portal** and **Quotation Portal**.
- Led **UI/UX Consultations** for all the company internal products.
- Created interactive designs for complex web and mobile applications by way of user flow diagrams, site maps, and interactive wireframes and prototypes.
- Implementation of UI design prototypes into frontend coding using **Html, CSS, bootstrap, Javascript, JQuery, Angular, Material**.
- Done the complete branding of our company in **Arab Health Exhibition 2022** (Booth design, brochures, rollover banners, gift coupons, business cards, video animation, company profile).

UI/UX Designer & Developer

Focus Academy | Apr 2017 - May 2019

Dubai, UAE

- Led UI/UX Consultations for all the company internal products.
- Created Brand Guidelines, website, mobile app and admin portals of newly launched company products.
- Converted the UI prototypes into web pages using frontend programming languages (Html, CSS, bootstrap, Javascript, JQuery, Angular).
- Worked on to revamp and improvise the current products of the company.
- Designed the Social Media and Marketing Designs for marketing team.

Web and Graphic Designer

Webs Care Inc | Jan 2014 - Mar 2017

Sargodha, Pakistan

- Responsible for UI/UX design and Development of all the internal and external company projects.
- Convert UI prototypes into web pages including HTML, CSS, Javascript, JQuery.
- Responsible for Social Media Marketing and Paid Ads designs.
- Designing Marketing CRM (Emailers & Websites).
- Usability Testing of the websites and mobile apps in order to optimize them for user friendly interfaces.
